

Missions of the Social and Extracurricular Activities Committee at the University Level

1. Coordinate with Faculties/Deanships/departments/centers/offices to develop a comprehensive plan for social activities inside and outside the university.
2. Organize and supervise social and entertainment activities for the employees of the university.
3. Organize agreements with organizations from the local community to provide services or privileges to employees of the university.
4. Provide the related party with periodic reports on the achievements of the committee.
