

Missions of the Hiring and Promotion Committee at the University Level

Consider the placements that are sent to the committee by the faculties boards regarding the following matters, the recommendations are then raised to the Deans' Council to consider them:

1. Hire the faculty members.
2. Raise a faculty member from one category to a higher category within the same academic rank.
3. Promote the faculty member.
4. Grant an unpaid vacation to a faculty member.
5. Transfer a faculty member from one department to another in the same faculty or to another faculty.
6. Assess the scientific production of the faculty member who has applied for the promotion.
7. Terminate the contract of a faculty member.
8. Resignation of a faculty member.
