Undertaking and Acknowledgement

I, the student/student's guardian: hereby acknowledge the validity of the information I have submitted and pledge to adhere to the following as soon as I receive my student number:

1. To fully comply with the rules, regulations, and instructions in force at MEU.
2. To preserve the properties and facilities of MEU.
3. To comply with the Student's Guide published on the MEU website.
4. To stay up to date with the announcements posted on bulletin boards around the university and on the MEU website, social media pages, or the Students Portal.
5. To inform the Admission and Registration Department in case of changing my mailing address.
6. To pay the tuition and registration fees as per the regulations and financial procedures in force at MEU.
7. To pay any fines arising from any disciplinary action taken against me, including the cancellation of my registration at MEU in case it was proven that I was disciplinary dismissed from another university.
8. To agree to freeze an unpaid semester and withhold my marks in the case of non-payment of all due fees.
9. To comply with the scholarship application instructions in force in case I receive a scholarship for MEU, upon which I undertake to pay the difference resulting from the deduction I received according to the accounting records, and to pay any financial liability arising from dropping out, dismissal, transference, or quitting university for any reason. I hereby undertake to pay any financial liability upon request and waive my right to any warning, notice, or claim, and hereby acknowledge that the Giza Magistrate Court will be the court of jurisdiction in the execution of this undertaking.
10. To comply with the procedures and conditions of withdrawal from or deferral of programs and of the academic evaluation and marks system followed by British universities (for undergraduate and postgraduate programs).

General provisions

1. The program is subject to the instructions and provisions of introducing hosted programs provided by the Ministry of Higher Education and the Higher Education Accreditation Commission.
2. The certificate is granted by the hosted university and is subject to the equivalency provisions for certificates issued outside Jordan.
3. Classes shall take place at Middle East University.
4. Students enrolled in hosted programs are exempted from the requirement of living in the home country of the hosted university, which nevertheless will be the entity to grant the certificate subject to equivalency from the Ministry of Higher Education and Scientific Research.
5. The teaching language of the hosted program is the language of the hosted university.
6. Class timetables cannot be altered, and are subject to the academic calendar of the hosted university.
